# Assignment: Assignment 1 Detailed Instructions and Submission

Submit by May 8, 11:59 PM PDT

## Important Information

It is especially important to submit this assignment before the deadline, May 8, 11:59 PM PDT, because it must be graded by others. If you submit late, there may not be enough classmates around to review your work. This makes it difficult - and in some cases, impossible - to produce a grade. Submit on time to avoid these risks.

## Instructions

In this assignment you will add a second page, *aboutus.html*, to your website. You will make use of the Bootstrap skills learnt in this module to prepare this web page for integration into the website.

## Assignment Resources

aboutus.html ([https://d3c33hcgjwev3.cloudfront.net/\\_4999bb1c153079dc31f49106df96...](https://d3c33hcgjwev3.cloudfront.net/_4999bb1c153079dc31f49106df96...))

## Objectives and Outcomes

In this assignment, you will continue to work with the website that you have been developing in the exercises. You will add the about web page to the website. To get you started, you are provided with a partially formatted *aboutus.html* file given above that you need to download and move it to the conFusion folder that contains your website. At the end of this assignment, you should have completed the following tasks:

- Updated the navigation bar
- Added breadcrumbs to the web page
- Formatted the contents of the web page

## Assignment Requirements

This assignment requires you to complete the following tasks. Detailed instructions for each task are given below. The picture of the completed web page included below indicates the location within the web page that will be updated by the three tasks.

### Task 1

In this task you will be updating the navigation bar in the page to support the following features:

- Update the links in the navigation bar such that when the user clicks on the appropriate links, s/he will return to the home page.
- Clearly identify the current page in the navigation bar, and
- Add a glyphicon glyphicon-info-sign to the About link.

While you are at it, you may also wish to update the navigation bar in the index.html file.

### Task 2

In this task you will be adding breadcrumbs to the top of the about web page, where indicated, to support the following features:

- The breadcrumbs should indicate the hierarchy of the pages in the website, and

- Provide links to return to the parent page(s) (Home page in this case).

You can find more details about how to design breadcrumbs using Bootstrap at the following link:

# Ristorante con Fusion

We take inspiration from the World's best cuisines, and create a unique fusion experience. Our lipsmacking creations will tickle your culinary senses!

## About Us

**Task 3**

### Our History

Started in 2010, Ristorante con Fusion quickly established itself as a culinary icon par excellence in Hong Kong. With its unique brand of world fusion cuisine that can be found nowhere else, it enjoys patronage from the A-list clientele in Hong Kong. Featuring four of the best three-star Michelin chefs in the world, you never know what will arrive on your plate the next time you visit us.

The restaurant traces its humble beginnings to *The Frying Pan*, a successful chain started by our CEO, Mr. Peter Pan, that featured for the first time the world's best cuisines in a pan.

### Corporate Leadership

**Peter Pan** Chief Epicurious Officer

Our CEO, Peter, credits his hardworking East Asian immigrant parents who undertook the arduous journey to the shores of America with the intention of giving their children the best future. His mother's wizardry in the kitchen whipping up the tastiest dishes with whatever is available inexpensively at the supermarket, was his first inspiration to create the fusion cuisines for which *The Frying Pan* became well known. He brings his zeal for fusion cuisines to this restaurant, pioneering cross-cultural culinary connections.

**Dhanasekaran Witherspoon** Chief Food Officer

Our CFO, Danny, as he is affectionately referred to by his colleagues, comes from a long established family tradition in farming and produce. His experiences growing up on a farm in the Australian outback gave him great appreciation for varieties of food sources. As he puts it in his own words, *Everything that runs, wins, and everything that stays, pays!*

**Agumbe Tang** Chief Taste Officer

Blessed with the most discerning gustatory sense, Agumbe, our CFO, personally ensures that every dish that we serve meets his exacting tastes. Our chefs dread the tongue lashing that ensues if their dish does not meet his exacting standards. He lives by his motto, *You click only if you survive my lick.*

**Alberto Somayya** Executive Chef

Award winning three-star Michelin chef with wide International experience having worked closely with whos-who in the culinary world, he specializes in creating mouthwatering Indo-Italian fusion experiences. He says, *Put together the cuisines from the two craziest cultures, and you get a winning hit! Amma Mia!*

1. You should submit the updated *aboutus.html* file with all the tasks completed. A reviewer should easily be able to take your file and substitute it into their own web project and see it working correctly.
2. Also upload a screenshot of your browser window showing the completed *aboutus.html* page in *png* or *jpg* format.

**Review criteria****less ^**

Upon completion of the assignment, your submission will be reviewed based on the following criteria:

**Task 1:**

- The links to the home page work correctly
- The About link is clearly identified in the navigation bar
- The About link includes the glyphicon

**Task 2:**

- Breadcrumbs are clearly visible in the location specified on the page
- Breadcrumbs clearly show the hierarchy of the web page
- The parent link works correctly

**Task 3:**

- The container class has been applied to the content at the correct location. Breadcrumbs should also be inside the container.
- Row class, including the row-content class has been applied to the rows of the content. Do not apply row-content to the row containing the breadcrumbs and page heading
- Column classes have been appropriately applied to the content within each row to provide responsive layout of the content.
